Products

- Full line of clear fire-rated glazings rated from 20 to 120-minutes
- First impact safety wire glass
- Fire-rated framing and curtain wall systems
- Blast, bullet, and hurricane-resistant glass

With over 25 years of experience in the high technology industry of fire-rated glass, SAFTI FIRST has remained a leader in clear, safety and fire-rated glass serving the architectural and building community. We offer a complete line of safety and fire rated glass to architects and building professionals looking to create secure, clear view areas. Through extensive research and development, SAFTI FIRST continues to develop fire rated glazings, and related products, that meet the technological and code demands of the construction industry.
